

Integrated Credit Opportunities at WCTC

2021-2022 School Year

Students must meet with their school counselor to discuss integrated credit. Integrated credit is awarded at the discretion of the partner high school.

Students completing one year in the following Waldo County Technical Center courses may receive consideration for integrated academic credit.

WCTC Course	Credits Applicable
Auto Collision Repair/Composites	1 Fine Arts or ½ Math
Auto Technology	½ Math or ½ Science
Building Construction	1 Fine Arts or ½ Math
Certified Nursing Assistant	1 Science or ½ Health
Computer Careers	½ Computer Applications
Culinary Arts	1 Fine Arts or ½ Math
Diesel Technology	½ Math or ½ Science
Electrical Trades	½ Science or ½ Math
Employability Skills Preparation (pre-technical program)	All of the following: 1 Math, 1 Fine Art, ½ PE, ½ Health
Graphic Design	1 Fine Arts or ½ Computer Applications
Small Engines	½ Science or ½ Math
Outdoor Leadership	½ Science or ½ PE or ½ Health
Welding Technology	1 Fine Arts, or ½ Math or ½ Science
Strive (pre-technical program)	1 Math and 1 Fine Art

Guide Lines:

- No students will be allowed more than two (2) WCTC integrated academic credits toward their high school diploma.
- No student will be allowed to receive more than one (1) credit in any academic area. In the case of math & science the other two credits must be earned through their partner high school.
- The integrated study grade will be the same as for the WCTC program course grade.
- Only one (1) integrated academic credit will be awarded per technical program per year.

When integrated credit is awarded, a student will receive less credit for the technical course. Example: A student in Auto Technology may receive a 1/2 credit in Math and receive 3 1/2 credits for Auto Technology. Total WCTC credit will remain four (4).
